

The Lions Pride – Challenge To Change

Dear Friends in District 20-O,

“Challenge to Change” is our motto for the coming year. The Lion year goes from July 1, 2007 to June 30, 2008 and our **International President is Mahendra Amarasuriya** of Suri Lanka. “Challenge to Change” is his theme for the year. We should all be challenged to change and to grow. There are many untapped new creative ways to serve our communities and let people know that Lions are serving here, there, and everywhere.

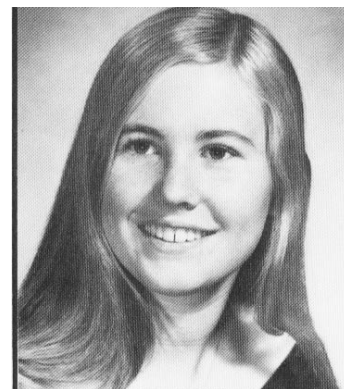

As we explore new projects to be tackled in our communities, we draw the attention of a wider circle of potential new members who are willing to serve and work toward goals that they believe in. We are first and foremost a service organization with the motto “We Serve.” When we embark on new service projects, we will be automatically involved in change and growth. Our present resources will be the “soil” to nurture new growth.

Lions can help communities where there are not presently Lions Clubs. We can seek the

input of the citizens of those geographic areas as to what’s needed to help the less fortunate to have a better quality of life. Then we can assuredly say, “We can get people to form a Lions team that can make those things happen.” We don’t ask people to join a Lions club just for the sake of joining a club, but to join a team that is involved in serving faithfully.

May your club strive for new goals and experience gratifying and exciting changes in the year 2007-08.

picture). For that matter, very few of us think, or act, or meet challenges in the same manner as we did long ago. Most of us have gained a bit of wisdom and maturity through the years. So why do we expect our Lions clubs to remain unchanged? Lions should not try to go back to the old days, but rather rejoice in the opportunities that are ahead of us.

Summer is a great time to share ideas for the future with other club members. While working at the fair, or parking cars for an auto show, or cooking burgers and chicken, take a minute to appreciate the fun experiences and good friends you have made in Lions Clubs. Then take another couple of minutes to brain-storm on some new ways to recharge your club. Ask potential new members to help out at a flea market or golf tournament. Invite community leaders to speak at a club meeting and help assess where the needs are in your area. Plan a new project, and then ask people from the community that have a special interest in that project to join your club

and help make the project a success.

Our new International President has given us a “Challenge to Change”. Just look in the mirror; we are all changing every day. It is up to each and every one of us to take the steps necessary towards healthy change for ourselves and our clubs.

Greetings Lions,

I hope you are enjoying your summer. I’m looking forward to another exciting year in District 20-O. I would like to congratulate **DG John** and **VDG Melanie** and wish them a successful year.

Did You Know??????????

HOW DO THE EYES WORK?

Light enters the eye through the **cornea** (*not corny joke, cornea*). It passes through the **pupil** (*not student-pupil, eye-pupil*), which is the black hole in the **iris** (*not the flower, the eye-iris*), the round colored section.

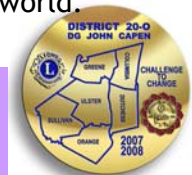

The light then enters the **lens** (similar to lens of a

camera, binoculars, telescope) and then passes through the **vitreous humor** (*nothing like clown humor*), a jelly-like fluid that keeps the eye round (*square eyes would be neat, but would not work as well*).

Finally, the light reaches the **retina** (*like the film in your camera*), which the light is changed into electrical impulses. From here, the **optic nerve** carries the impulses to the brain (*like a cable or firewire sending information from a camera to your computer*), which processes the image and enables you to see the object. WOW Way cool...

There is also the **eyelid** and **eyelashes**. The eyelid acts as a window shade, protecting the eye. It can close, open, and close partially as in a squint to limit the amount of light reaching the eye. The eyelashes are a row of hairs along the front edge of the eyelid. Eyelashes keep dust and dirt from getting into the eyes. (*Your own personal eye-car wash!*)

Look at your own eyes in the mirror. Look closely at a friend's eyes as the two of you talk about the parts of the eye, and how the eye works. Never put anything in or near your eyes, or into the eyes of a friend or family member. We use our eyes more than any other sense to find out things about the world.

The Lions Pride – Challenge To Change

EYE SAFETY and STUFF: Question (Q) and Answer (A).

Q. You get dirt in your eye, what do you do first?
1. Put your finger in her eye. 2. Rub your eye with your fist. 3. Blink, and then ask an adult to help. **A.** Blink a few times, to see if you can flush your eye with tears, (your own personal car wash - eye wash). Then, ask an adult, a teacher, or the school nurse to help you flush your eye with clear, warm water. If irritation continues, you may need to see an eyecare professional.

Q. Working with machines, should you wear:
1. Swim goggles. 2. Safety glasses. 3. Sunglasses. **A.** Safety glasses are made of special high density plastic to protect your eyes while working with machines.

Q. You are spending a lot of time outside in the sun, and are wearing sunblock on your skin to protect your skin from sunburn. How do you protect your eyes from harmful UV rays of the sun?
1. Sunblock. 2. Binoculars. 3. Sunglasses. **A.** Choose sunglasses with UV protection to protect your eyes.

Q. About how many times in one minute do you blink your eyes? **A.** About 18 times.

Have a wonderful month,

SC John

Greetings from HC George,

I look forward to meeting many Lions throughout this year as I serve you as the Hearing Chair for this wonderful District. Many of you do not know me and I'm sure that will change. I will be visiting many of the hearing groups and meet as many of you as possible.

Remember I wear several hats this year as your Lions Quest Youth - Outreach Chair and your Peace Poster Chair. I ask that as many clubs as possible start participating in these projects and if there is any way I can assist you getting them started in your area let me know.

REMEMBER, we have money for this District to use for LIONS QUEST that we received through LCIF.

The Mamakating Lioness have collected over 650 pairs of glasses from the 12 collection boxes distributed to schools and businesses in Bloomingburg, Wurtsboro, and Westbrookville as well as Sullivan Correctional Facility. Lioness Joann MacKinnon counted and delivered the glasses to Lens Crafters at the Galleria Mall in Middletown where they will be sent to third world countries in need. The club donated \$1000 to help their fellow Lion in need, Lori Lackey of Livingston Manor. At the May Meeting the club was honored to present president Rosalie Frasca and her late husband, Lioness Pat Frasca with the

Robert J. Uplinger Award for 23 years of distinguished service to the club and the community. IPDG Joyce Maier was inducted as a new Lioness. The Lioness are selling Hershey candy as a fundraiser this year. A contribution of \$700 was donated in memory of former member, Gordon MacKinnon by his fellow firefighters of the NYC FD to cover the cost of the candy sale. In June a donation of \$1000 was made to Boy Scout Troop 92 for a tent and also sent a child to the Town of Mamakating summer camp. June was a successful sale of Lotto raffle tickets; as well as joining the Mamakating Lions Club and the Mamakating First Aid Squad with a blood drive. Plans are underway for the annual Columbus Day Weekend Craft Show/Bake Sale at Canal Town Emporium in Wurtsboro. Interested crafters can contact Rosalie Frasca to reserve a table at 845-733-4803.

Amenia Lions donated to the Amenia Fire Company to support their new fire house; \$400 donated to the Webutuck High School Scholarship Fund; the club's Horse Show

was a great success with over \$4,000 raised. The Fishing Derby was successful with 35 children participating and \$50 will be donated to flood victims.

Goshen Lions presented \$1500 to their scholarship winner, Desiree Anderson who will be attending SUNY Albany.

Jeffersonville Lions awarded two \$1500 scholarships to Heather Bellock and Laura Berger of Sullivan West High School. The club held a charity horse show on July 15th at the Stone Wall Farms with breakfast and lunch served by club members.

Kingston Lions held a special luncheon the end of June for their scholarship winners. Scholarship recipients were Sean Markes, Caroline Bell, Matthew Turner, Brittany Aird, Anna Miressi & Lindsey Reyman (in attendance); Huma Imtiaz,

Kayla Palucci were unable to attend. PP Dan Terpening and Scholarship Chair Bob Gaus are pictured as well. The club's Annual Expo brought in a net profit of \$27,000. The club was involved with an All Service Club Blood Drive in June.

Lumberland Lions Blood Drive will be held on August 18th at the Lumberland Sr. Center. September 8th will be the club's Annual Anniversary Dinner at the Eldred Preserve.

Middletown Lions are holding their meetings at Jerry's Restaurant for the balance of this Lions

year. During the weekend of June 23 and 24, 8 members traveled to Camp Badger for a work session with the most pressing need the painting of the boys and girls bathroom buildings. The club donated \$1000 to LCIF as a Melvin Jones Fellowship but to be directed towards Campaign Sight First II; \$500 to the Lions Eye Foundation for the Knight of the Blind Program as well as two annual scholarship awards for a total of \$1500.

Millerton Lions had the circus in town in June.

Northern Columbia Lions have a new administration with two presidents *Mickey bell and Al Burkhart*. The spring raffle was a success and netted \$525.50.

Otisville Lions awarded four scholarships were awarded to the Minisink District High School Seniors.

Stanford Lions presented community service award to *Daniel McCarthy* and math & science award to *Lindsay Groth* - two graduating seniors at Stissing Mountain Senior High School in the amount of \$250 each. \$500 was donated to the Town Rec Park to buy a new barbecue for the Park. \$50 was given to Camp Badger in honor of *PDG Joyce Maier*. The Flea Market brought in \$1599 this year.

Town of Dover Lions voted their officers in for 2 year terms so the same will continue in this new year. The circus came to town and feedback was that it was sensational. There were wonderful animals, well-trained along with jugglers, trapeze acts, double tumblers as well as clowns with animals performing tricks and interaction with the audience. The show was 2-hours long and

before the show there was a king-size snake exhibit, pony rides, elephant rides, camel rides and refreshments. The reporter from the Town of Dover highly recommends the circus for an entertaining fundraiser.

Town of Esopus Lions presented a \$100 savings bond to graduate *Thomas Mains* of the Robert Graves Elementary School through the Cell Phone Fundraiser conducted by the Lions at the school as well as a local business. The club is continuing the fundraiser for the coming year.

Tri-Valley Lions had 138 cats and dogs vaccinated at the rabies clinic held in June. Service awards were presented to *Kevin Delaney, Keith McArthur and Megan Markle* at the Tri-Valley Graduation. The club made donations to the Guide Dog Foundation and Lighthouse International. The club will hold their 30th Anniversary Party at the Rockland House on October 21st.

Upcoming Fund Raising Events Around The District

Otisville Lions are planning for its major fundraiser - the County Fair which lasts 4 days plus one evening for hosting the volunteers which man the fair. The Otisville Voice newspaper which was started to raise money for their administrative fund is doing well with \$600 to the fund this past month.

Pine Bush Lions are preparing for a health fair in the fall with flu shots; and the Harvest Festival in September.

Pine Plains Lions Beef Bar-Be-Que will be on August 11th.

Stanford Lions will hold a wood raffle in August and on September 15th will participate in the Stanford's Community Day with a Food Booth and Flea Market.

**....AND NOW OUR
FEATURED CLUB
From Leo to Lion
President
....by Lion Joseph
Cutolo, Jr.
Honey Brook Lions
Club, Honey Brook,
PA**

First, let me introduce myself. My name is **Joseph Cutolo, Jr.** and my father was a life member and served for

53 years in the **Town of Dover Lions Club**. Currently, my uncle, **Richard Rennia**, is the president. I came across a copy of your April 2007 Lions Pride Newsletter, while I was looking for information on the **Town of Dover Club**.

I currently am the President of the **Honey Brook Lions Club** in Honey Brook, PA. Our website is www.honeybrooklions.com which is maintained constantly by a member of our club. I have basically come full circle here in that I was one of the founding members and first president of the **Dover Plains Leo Club** and now one, if not the only, past Leo club member who has become a Lion, and more importantly, President of a local club (Editor's Note: actually that makes two - my daughter **Connimarie Zager** was a Leo Member in the **Town of Walkkill Leo club** prior to joining the **Kingston Lions Club** and is now the **President of the Town of Esopus Lions Club** at the age of 22.)

I thought this might be of some interest to fellow Lions to point out how important it can be to groom "Leos" who someday will become Lions. I'm sure there are many Lions in District 20-O who will remember by father, **Joseph "Babe" Cutolo**.

Joseph Cutolo, Jr. pinning last year's President.

**MERL
Membership
By PDG Ed Budd**

Welcome to the 2007-2008 Presidents and Secretaries that are receiving this DG newsletter for the first time, and welcome back to the "old-timers" - thanks for your continued participation. Several of the monthly issues will contain an article about membership recruitment and development.

We'll start with some facts and figures, observations and suggestions: as of 5/31/07 (the most recent records from Lions International) our District 20-O has a total membership of 1886 Lions, which represents a net loss of 80 members since the 7/1/06 beginning-of-year figure.

We have inducted 120 new Lions, reinstated 11 and transferred-in two, for 133 members added (good).

For various reasons, we have had to drop 213 members (not good), thus a net - 80.

The Lions Pride – Challenge To Change

FOR A COMPREHENSIVE REPORT ON DISTRICT AND CLUB MEMBERSHIP FIGURES AND TRENDS PLEASE TRY TO ATTEND THE 8/4/07 CABINET MEETING (9 AM) LOCATION TO BE DETERMINED.

With 60 clubs in the district, inducting 120 new members is an obvious 2 new Lions per club - however - losing more than 200 Lions is just as obviously an area that must be addressed. Retention, a hand-in-hand concern of membership is our largest challenge.

With the anticipated changes to our MERL team, adding several “task-force” Lions to the team, we expect to be tackling the problem of the dropped Lions. We will be contacting clubs to offer suggestions, ideas, seminars, etc. on the subject - we’ll also be soliciting your suggestions. Please look for more information, and ideas, in future issues - please also share this newsletter with your club members.

*LCIF Update
By IPDG Joyce Maier,
LCIF Chairperson*

Dear Fellow Lions,

I enjoyed visiting with many of you during the International Convention and I look forward to continuing our service together this year as LCIF Chairperson. We have much to accomplish this year in order to achieve our Campaign SightFirst II goal as well as spread the word about LCIF. In

this message, I would like to update you on a number of LCIF news items.

LCIF Ranked Best NGO Worldwide

In a special report released Thursday, July 5, 2007, Lions Clubs International Foundation (LCIF) ranked best among non-governmental organizations (NGOs) worldwide. From 34 global organizations, LCIF came in first for its execution of programs, demonstrated accountability, communications internally and externally, program adaptability to the surrounding community, and understanding the goals of its corporate supporters. The assessment was published in the Financial Times' Corporate Citizenship and Philanthropy special report. The full story can be read online at.

Vote NOW to Help Eradicate Preventable Blindness

LCIF has been selected by American Express as one of the top 50 project ideas in The Members Project, an exciting initiative that brings American Express Cardmembers together to do something good for our world. Join Cardmembers across the country to vote for LCIF's incredible idea to eliminate preventable blindness, presented to American Express by the Diamondhead Lions Club in Mississippi, USA. For every vote LCIF receives, US\$1 will be donated to LCIF by American Express up to US\$5 million. Cast your vote NOW for LCIF at [membersproject.com](http://www.membersproject.com) <http://www.membersproject.com>

[com/Health_Fitness/723](http://www.membersproject.com/Health_Fitness/723). LCIF is Project ID #723. You only have until July 15 to keep LCIF in the top 25! Please share this information with your friends, family and co-workers so they can vote for LCIF. To learn more visit the LCIF Web site at http://www.lionsclubs.org/EN/content/lions_lcif_amex.shtml.

Grants Awarded at June Board Meeting

More than US\$2.4 million in grants were approved at the June 2007 LCIF Board Meeting. Lions clubs from all over the world were granted funds to assist many humanitarian projects, such as partnering with Lions in Malaysia for a clean water project (Korea), equipping a rehabilitation center for the disabled (Italy), upgrading the kitchen and dining room at an Easter Seals camp (Canada) and constructing a clinic and vocational center for the disabled (Honduras). Read the complete story and view the entire list of approved grants at http://www.lionsclubs.org/EN/content/lions_lcif_newgrants.shtml. There are number of new materials, including a new DVD and CD of LCIF publications available to you to help promote LCIF in your club and district. A list of these materials can found at http://www.lionsclubs.org/EN/content/lcif_pr_tools.shtml. I look forward to this year and thank you for your continued support and dedication to LCIF. LCIF is able to fulfill its mission of helping Lions serve worldwide through your support.
